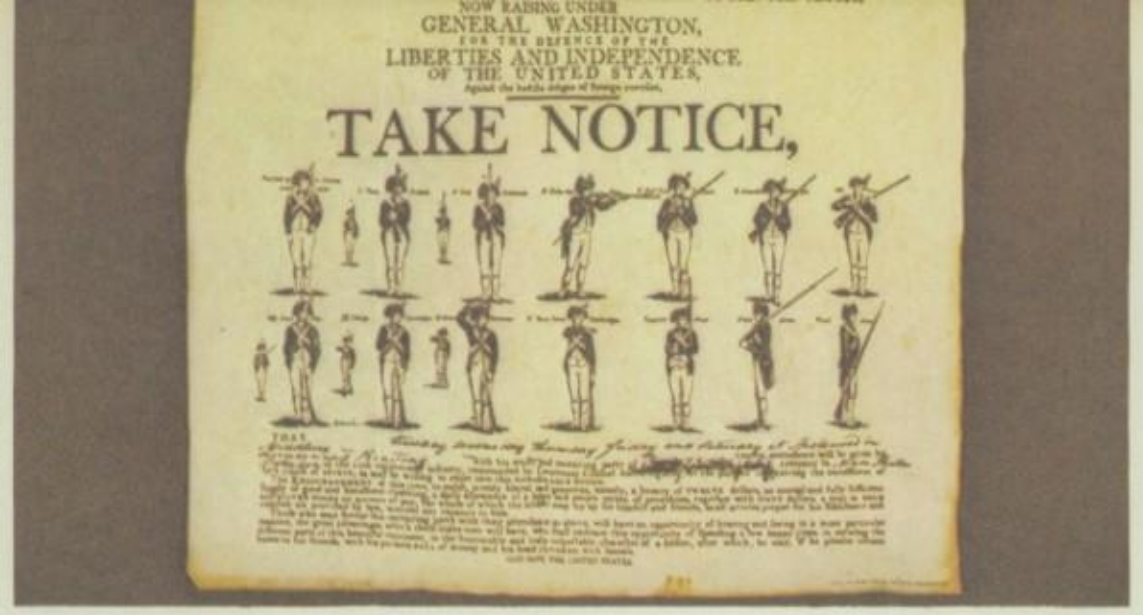
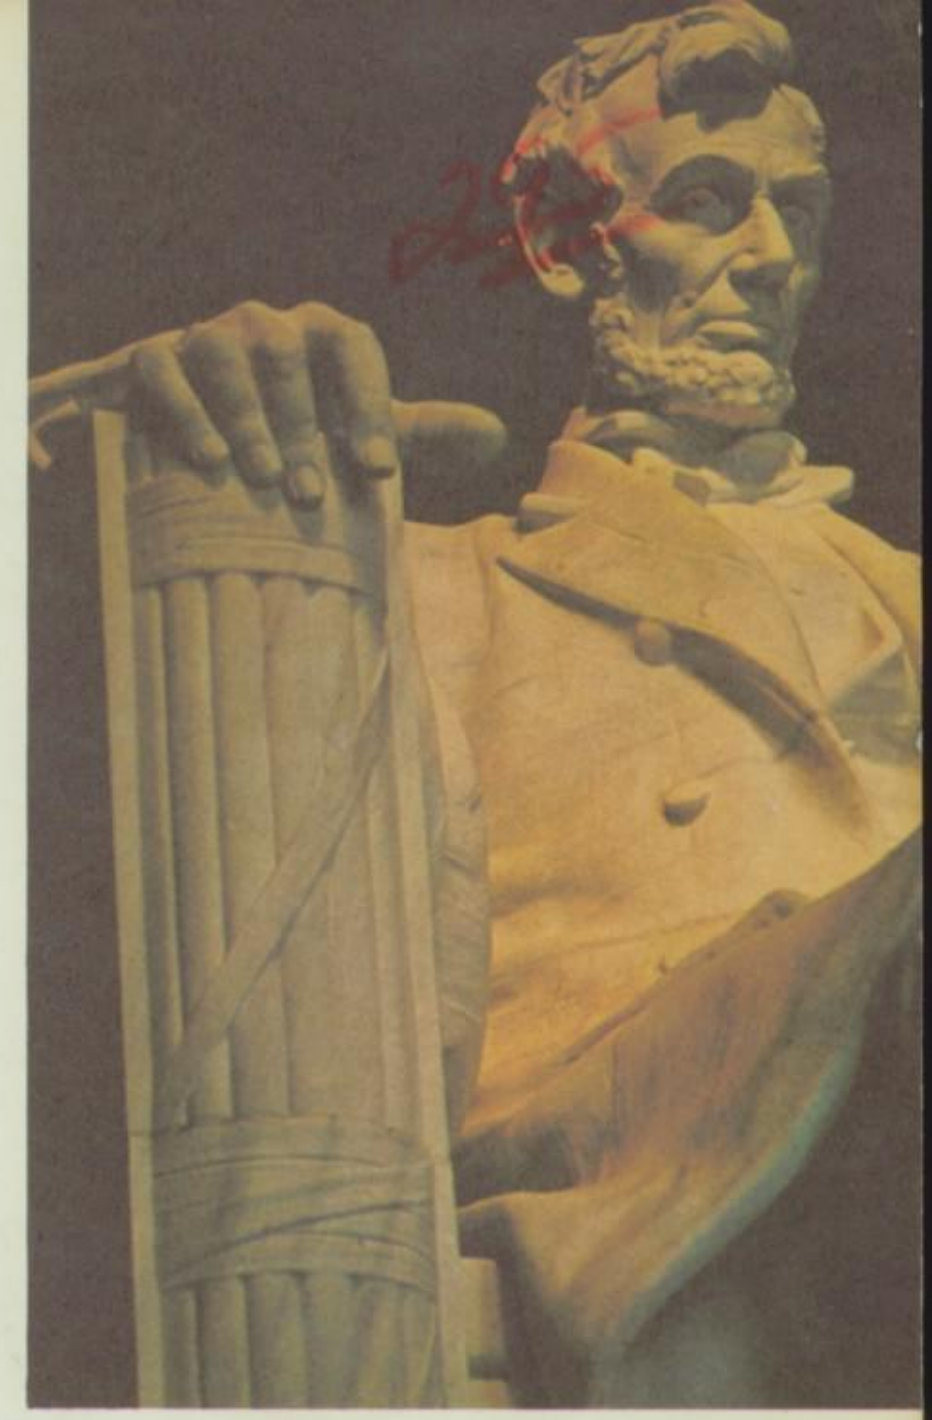
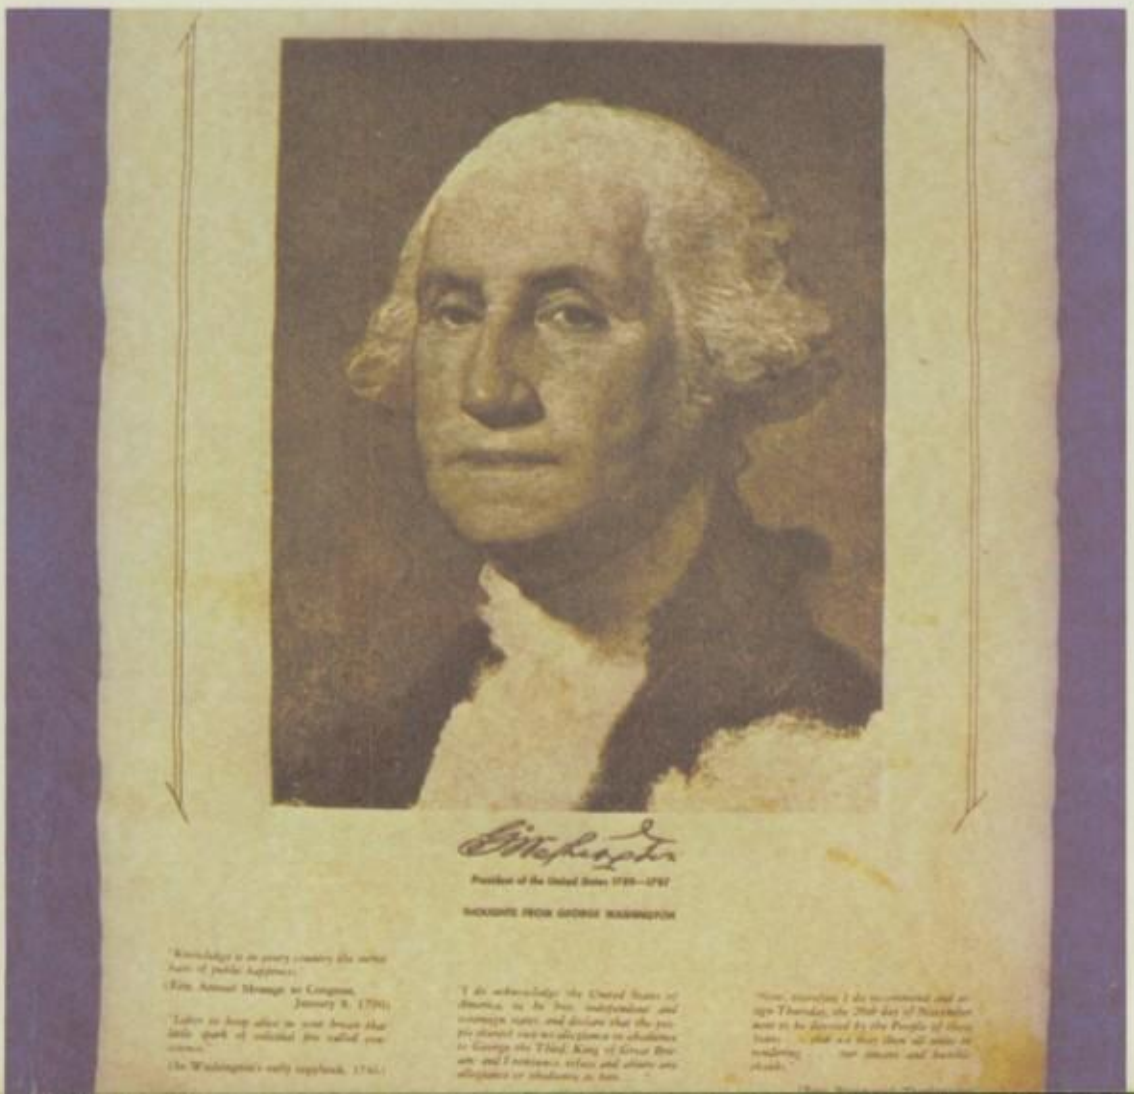
In CONGRESS. July 4. 1776.
The unanimous Declaration of the thirteen united States of America.



NOW RAISING UNDER
GENERAL WASHINGTON,
FOR THE DEFENCE OF THE
LIBERTIES AND INDEPENDENCE
OF THE UNITED STATES,
Against the hostile designs of foreign enemies,

TAKE NOTICE,





President of the United States 1789—1797
THOUGHTS FROM GEORGE WASHINGTON
"Knowledge is in every country the surest basis of public happiness."
(First Annual Message to Congress, January 8, 1790)
"Labor to keep alive in your breast that little spark of celestial fire called conscience."
(George Washington's early copybook, 1745)
"I do acknowledge the United States of America to be free, independent and sovereign states and declare that the people thereof owe no allegiance or obedience to George the Third King of Great Britain and I renounce refuse and absolve all allegiance or obedience to him."
"Now, therefore, I do recommend and assign Thursday, the 26th day of November next to be devoted by the People of these States to the service of that benign Being who is the beneficent author of all the good that was, that is, or that will be; that we may then all unite in rendering unto Him our sincere and humble thanks."

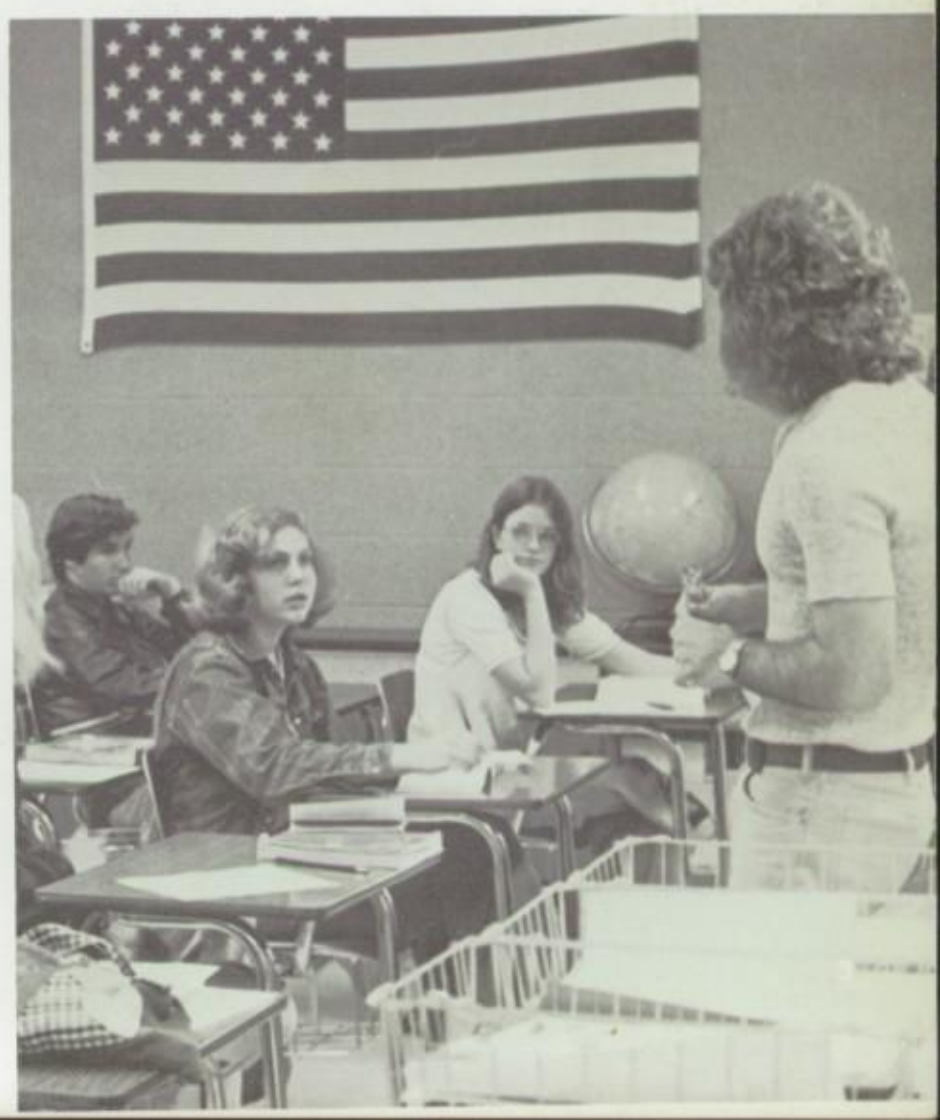
DEAR PENNI -
WELL ANOTHER YEAR IS OVER. HOPE THAT IS WAS A FUN AND INTERESTING YEAR. TAKE CARE & HAVE A GOOD SUMMER.

MS. HOEKJE
76



The 1976 CHARHIAN staff proudly dedicates this book to

CLYDE AND VIOLET RAY

who have devoted much time and effort to the students of CHS.

Mr. Ray has been a member of the Charlotte faculty for 26½ years. Through these years he has taught classes in agriculture, small animals, and ecology and has contributed much of his spare time to FFA.

He received his BA in 1946 and his MA in 1950 from MSU.

Mrs. Ray has taught in Charlotte school system for 15 years. She teaches home economics, family life, fun foods, advanced foods, housing and sewing.

She attended MSU where she received her BA in 1944.

So it is with great pleasure and many thanks that we dedicate this book to this great couple.

ELWOOD LARSEN - Superintendent

School Board Approves Study

The Charlotte School Board this year added to their many duties of formulating policies, making financial budgets, and the running of schools the need for better athletic facilities.

This plan was first investigated by a citizens' advisory council. This committee made up of businessmen, coaches, administration members and interested citizens looked into the good and bad parts of our athletic programs and facilities. After reporting to the School Board, Superintendent Elwood Larsen and Board Members approved a study to be made of possible areas for tennis courts, pool, laundry room, all-purpose rooms, girls' gym, football and baseball fields and more.

Left to Right: John Gardner, Ralph Letson, Norman VanSoest, Elwood Larsen, Keith Bazaire, Thomas Otley, James Grier, Arthur Salisbury.

Mr. Larry Sevitts

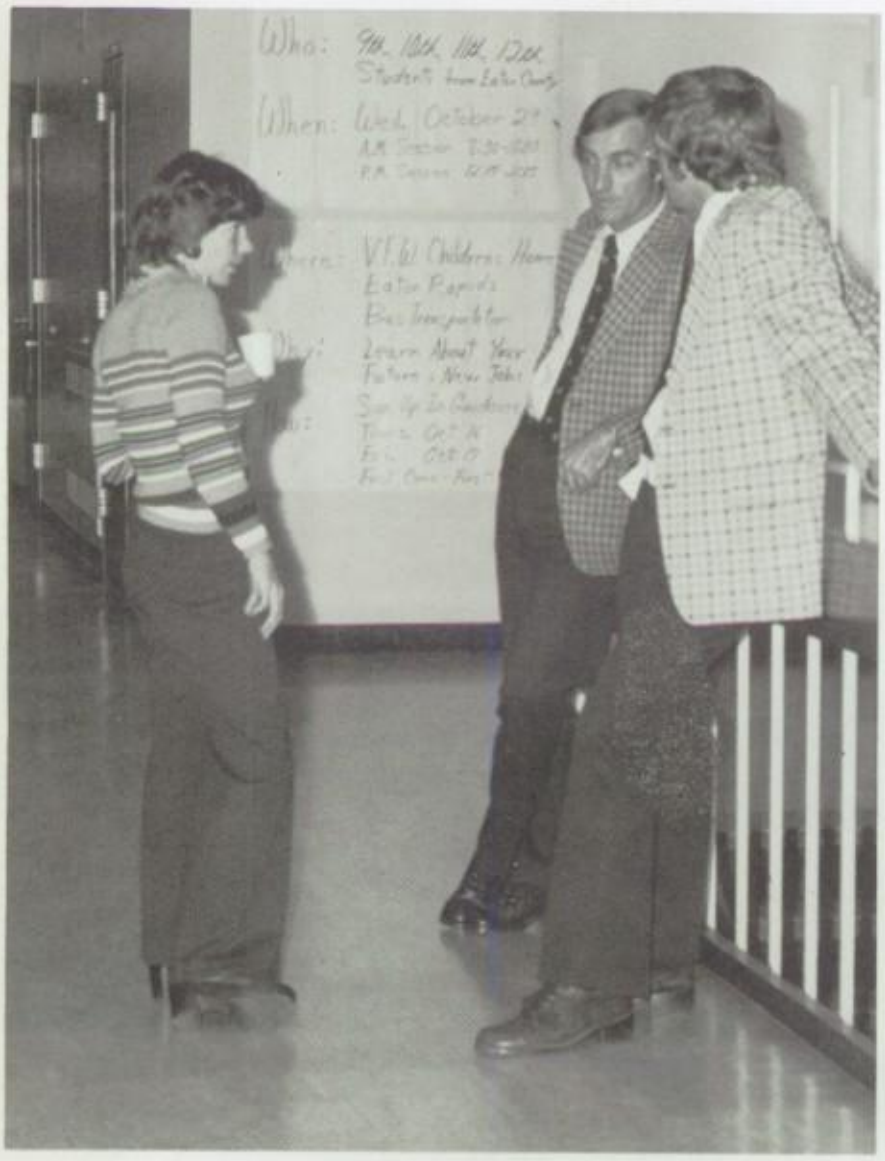
Principal

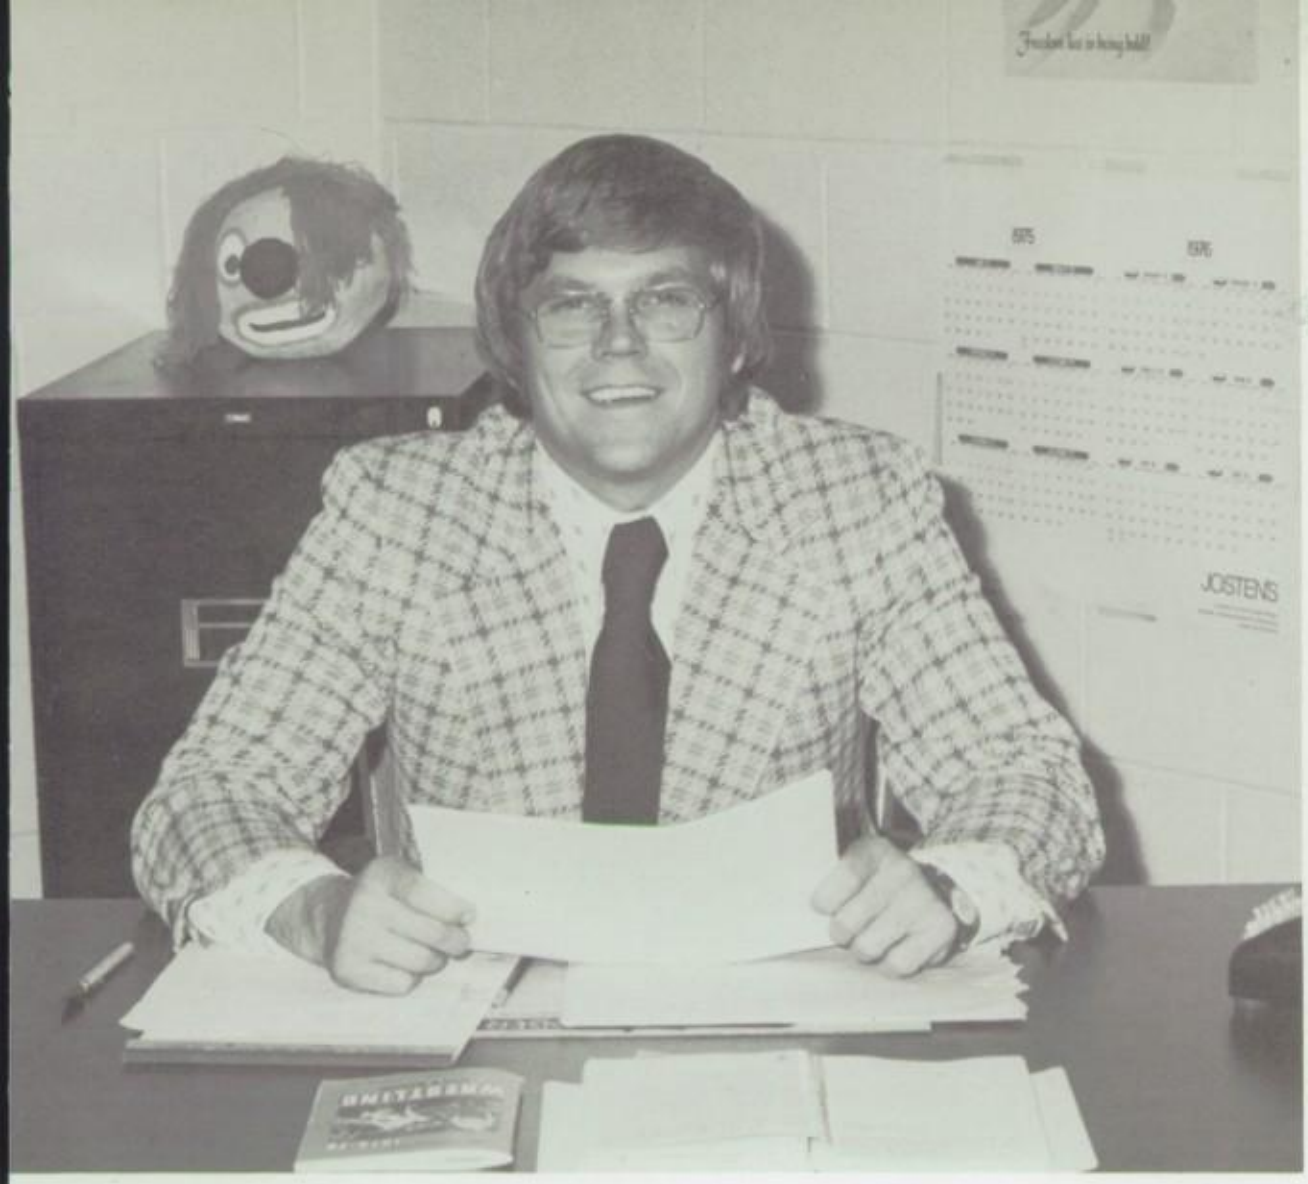
Adrian College, BA
Eastern Michigan University, MA

In his second year at Charlotte High School, Mr. Sevitts describes his job as busy, interesting, and never the same. Since he has been principal there have been many changes about the halls. His main emphasis has been to enforce those rules already existing.

Mr. Sevitts is the father of three children, two girls and one boy. In his spare time he enjoys watching and participating in softball, basketball, golf, tennis, swimming, cards, reading, and walking.

Principals Find





Mr. Carl Hartman

Assistant Principal

Central Michigan
University, BA
Western Michigan
University, MA

Returning this year as assistant principal was Mr. Hartman. Mr. Hartman's duties consist of working with the other principals on attendance and discipline and evaluating and working with teachers.

Out of school Mr. Hartman enjoys all kinds of sports. His favorites are golf and softball.

Work Interesting

Miss Anne Darling

Assistant Principal

Michigan State University, BA and MA

Challenging, exciting, and interesting are how Charlotte's new assistant principal describes her job. Miss Darling, formerly a guidance counselor in Williamston, enjoys informing parents of their children's improvement and the pleasure teachers get from having them in class.

In her leisure time, Miss Darling enjoys participating in golf, bridge, tennis, chess, music, swimming, tumbling, skiing, and reupholstering.

FACULTY

The Capitol building in Washington, D.C., was started in 1793. By 1800, it had been sufficiently completed so that the government could move here from Philadelphia. The completed north wing housed the House of Representatives, the Senate and the Supreme Court.

SENIORS

At Valley Forge, General Washington spent long hours writing letters to Congress, pleading for badly needed supplies. Just before striking camp, he was directed by Congress to administer an oath of allegiance to his senior officers, acknowledging the independence of the United States.

★★★

PRESIDENT - Arvid Salisbury

VICE PRESIDENT - Kristin Sayre

The seniors of '76 expressed mixed emotions about graduating from CHS, wanting to stay, yet feeling the urge to go on.

A quote from JONATHON LIVINGSTON SEAGULL, "You must begin by knowing that you have already arrived," was chosen as their class motto. A white sweetheart rose was selected as their flower and maroon and white were the colors adopted.

The seniors led the spirit during the 1976 athletic seasons by taking first place in class competition at the football homecoming assembly, placing first in the float competition, and initiating a new tradition for raising the spirit of the school. Displaying leadership, a group of ambitious and spirited girls sang and cheered CHS teams, dubbing themselves "Bonnie's Bells."

An active year winds up a journey of four years of growing up, learning and having fun. These years have shaped and molded the seniors of CHS, readying them, as they now are, to go on.

CLASSES

"We hold these truths to be self-evident, that all men are created equal . . . " wrote Thomas Jefferson, chairman of the committee to draft the Declaration of Independence. The original document was presented to Congress. After minor amendments were made, the first signatures were affixed July 4, 1776.

Sophomores Choose Motto

Highlighting the Sophomore Class year was the ordering of class rings in the fall and then their arrival in January.

Pearl white and sky blue were chosen as the class colors with the white rose as their flower. "We are not afraid of tomorrow for we have seen yesterday and love today." Sophomores selected this phrase as their motto.

Mr. Steward was the class advisor.

ACTIVITIES

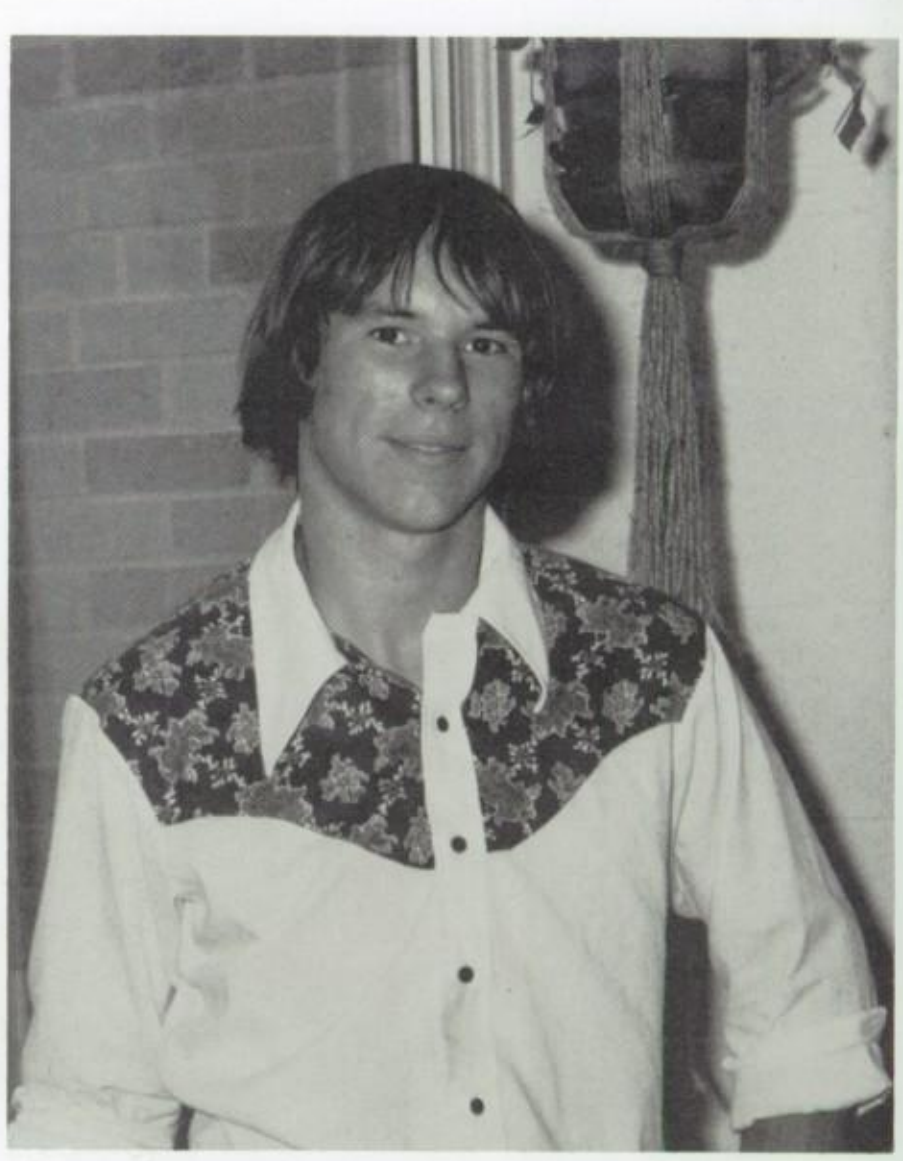
The Centennial Exposition was held in Philadelphia, 100 years after the signing of the Declaration of Independence. It was meant to reemphasize the principles this nation was founded upon.

★★★

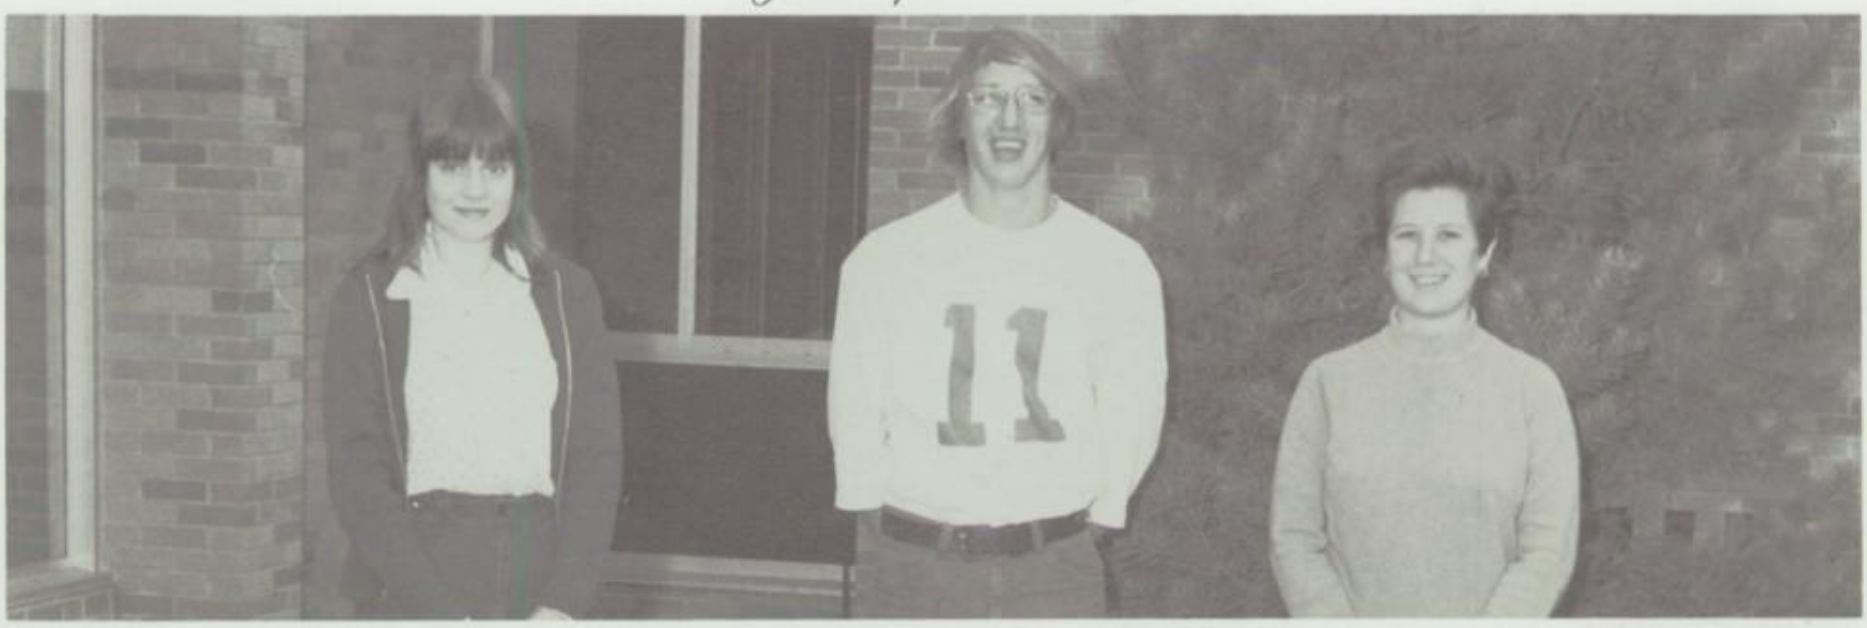
Students Learn From Other Cultures

A new face seen around school this year was Yanira del Rosario Contreras. She stayed with the William Port family. She lives in San Salvador and found the United States very different from her home. Yanira spoke only a little English and was amused at the students' attempts to explain things to her.

Randy Royston traveled to Peterweil, Germany, this summer under the Youth for Understanding program. He stayed with the Jocham Pardeyke family who have one girl and one boy. Four weeks of his stay were spent in Bavaria waterskiing, windsurfing, swimming and mountain climbing.



Citizenship Rewarded



Jill Stults, Bill Hall, Kristin Sayre

Each year, early in the summer, Girls' and Boys' State is held at Olivet College. During their respective weeks, girls and boys from all over Michigan come to learn by participation how the state, county, and local government is run.

Mark Royston, Arvid Salsbury, Tom Stark

Junior Rotarians were chosen by a committee headed by Malcolm Gobel. The school mayor and co-ordinator were chosen and then boys were picked for achievement in athletics, music, citizenship, and scholarship. They attended meetings for a month and they all came back in May to put on a special program.

For Amigos Amis the year was very busy. They planned bake sales, concessions, parties, a Christmas Fiesta with another high school, and dining at French and Spanish restaurants. A handshake became their emblem symbolizing the friendship of two countries bound together in one club.

German Club started the year with a fall initiation party. They planned an excursion to Frankenmuth, a bake sale, a sledding party, and concessions. Their advisor was Mrs. Nwankwo.

Students Take to the Road

INSTRUCTORS - FRONT ROW: Mr. Robbe, Mr. Bohms, Mr. Beebe. BACK ROW: Mr. Zonyk, Mr. Dietrich, Mr. Gregory, Mr. Matthews.

Any student under eighteen who wants to get a driver's license must pass an approved driver's education course. The state requires students to have thirty hours in the classroom and six hours behind the wheel driving practice. In order to pass the course, students must have seventy percent or better in the classroom work and satisfy the instructor with their driving ability. About seventy percent of the students pass the first time they take the course.

Played On

The Charlotte High School Oriole Marching Band had a very active year. All of the members spent a week at band camp at the Twin Lakes 4-H Camp near Traverse City in August. They prepared marching shows for four home games in a row and presented the "Gridiron Review." The band participated in several marching and concert competitions. They went to Holland for the Tulip Festival and participated in the District Festival and Solo-Ensemble and came in fourth in marching competition at the new Pontiac Stadium. The Band put on a beautiful Christmas Concert in December and held the Band Bounce in April.

'Gridiron Review' Recalls Past Shows

In November the band presented a show, the "Gridiron Review," featuring the marching band. They played selections from the half-time shows. The flag corps and the twirlers gave a special demonstration.

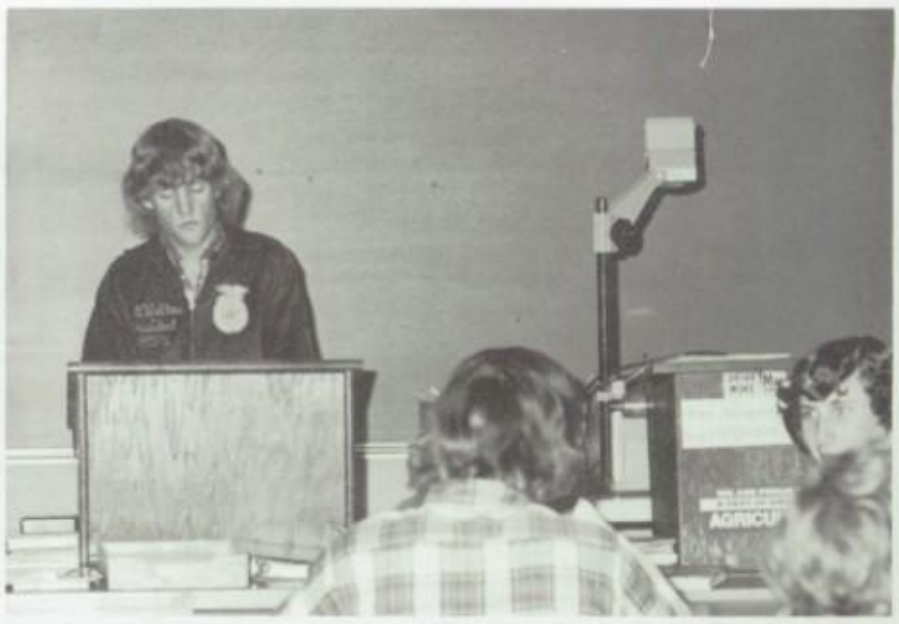
FFA Keeps on Plowin'

President Bret Walters presides over the planning meeting.



Bob Converse, Chairman of the Community Service Committee, makes recommendations for activities in the program of work.

The FFA Chapter is one of the most active clubs in the high school. The pictures on this page show the Chapter in action, planning and approving the program of activities for the year 1975-76. We Believe . . .

The major purpose of Hoover Ball and Bearing Company is to operate profitably as it develops and grows, thereby assuring fair and equitable returns of stockholders' investment.

We believe that profit secures the future of the Company so long as it represents a measure of the Company's success in providing useful or desirable products or services.

We believe that profit helps fulfill the employees' responsibilities to the stockholders, the community, to customers and suppliers.

We believe that as employees develop and progress so does the Company. Consistent with this belief, Hoover will do everything in its power to encourage a high degree of employee morale and to motivate each employee toward self-improvement to the full extent of the individual's capability.

We believe in recognition of the individual who, through self-improvement, becomes increasingly valuable to corporate progress. The Company feels that reward should be proportionate to accomplishment - without limitation.

We believe that the dignity and rights of the individual must always be respected. The Company recognizes that while self-interest is natural and each individual has responsibilities that must be fulfilled, the full potential of any human can be achieved only through consideration for others.

We believe that absolute integrity is essential at all times in all relationships between stockholders, employees, customers, suppliers and the community.

We believe that the continuing success of the Company depends upon the successful development of people who work together harmoniously and productively to carry out company objectives.

Class of '77

It is hard for me to believe that I will soon be graduating and leaving Charlotte High School. Like for my fellow classmates, these walls hold the memories of the last four years of my life. They hold the memories of sports, dances, pep assemblies, classes, and most of all, many friendships.

It is these memories that the CHARHIAN staff has tried to capture in this year's book. We have worked hard during this past year and we are proud to share it with you.

Being editor has given me a chance to meet and work with many people. Some of the special people I would like to thank are Reed's and Morton's for their time and efforts, Miss Latham for her patience and assistance, and a great staff who have helped put this book together. However, the CHARHIAN wouldn't have been possible without you, students and faculty, and your cooperation and your pictures.

I wish the members of the Class of '76 luck in their future plans and I hope the underclassmen will enjoy their high school years while they are still here, for these years soon become only memories.
Sincerely,

Paula J Dickey
